for more info.

YWL Camp will focus on creating life long leaders. Each week, we will be exploring a variety of careers through guest speakers & workplace tours. YWL girls will also be visiting NH colleges & universities, participating in a community service project of their choosing, along with traditional summer activity fun including weekly swimming, crafts and games.

Week 1 June 27–July 1 Make A Splash Week

Girls will be exploring the many careers that happen in and around water of all types. Field trips that week will be to the ocean and lake just to name a few.

Week 2 July 5 – 8 Beyond the Barn Week

This week will focus on farm fun with gardening, animal care, and other career opportunities related to our local agriculture..

Week 3 July 11 – 15 Mind & Body Week

Mental health is so important. Girls will participate in activities and learn about careers that help maintain good mental health and create strategies for moments when they need support.

Week 4 July 18 – 22 How It's Made Week

Girls will get to see how things are created and work while exploring STEM related careers.

Week 5 July 25 – 29 Planes, Trains and Automobiles Week

Girls will get moving and learn about careers in all forms of transportation during this week of fun.

Week 6 August 1 – 5 Be Our Guest Week

Focus will be on the hospitality industry – hotels, restaurants, and sports arenas. A behind the scenes tours and discussions with people in the field.

Week 7 August 8 – 12 Health Care Week

There are lots of great career opportunities in the medical world- girls will get to learn about a variety of positions and what educational paths to obtain these STEM careers. **This week will also hold our Annual Career Fair (sponsored by Dartmouth Health Care) on Thursday August 11th at St. Anselm's College.**
